

Dear Herzberg Family -

Hello, my name is Ashley, and I cannot express how sorry I am. I know what it feels like to lose someone close to your heart due to the war, my uncle passed in Vietnam. I may not have known Eric personally, but I am sure that he was one of the bravest.

How am I sure? I have heard Mr. Wahlberg talk about him. He is very devoted to the cause of keeping Eric's memory alive with us here, and please know that I have shared Eric's memory with my family, and they have marveled at his story. Eric's story has inspired my brother to join the military when he comes of age.

Please know that my family and I, as well as everyone here takes great pride and honor in keeping Eric Herzberg's memory alive in our hearts and minds.

Forever in our hearts,

Ashley Thompson
