

dear nerzberg family,

I am so sorry about your son's death, and the students here at Mona Shores Middle School give you our support and prayers.

We have been learning about your son at school because we are going to Washington D.C., and I have learned many good things about your son and what he has done for our country.

If your son was still here today I would like to thank him for his service and I would like to thank you for being a proud military family.

If your son was still here today I'm sure he wouldn't change anything that happened because he was proud to be an American soldier and that he would tell you not to worry and that everything is ok.

Your son loves you and I hope you know that he is in good hands and that he is ok and he would tell you not to worry, and that everything is ok.

My thoughts and prayers are with you,

Ashlyn Cross 8th grade MSMS
