

Dear Herzberg Family,

I know what is like to lose someone in the military. I lost my cousin David about 4 years ago. He died in Iraq leaving two kids and a wife behind. I don't know how hard it was for you but the death hit our family really hard. I have a big respect for everyone who has fought in the military, because they are the reason for the freedom we have today. I have visited Arlington National Cemetery before and watching the soldiers march by the unknown soldiers tomb was very eye opening to me, even just walking and seeing all the tombstones almost had me in tears. I wanted thank you for coming here today and helping me learn about your son. From what Mr. Wahlberg has told me he was a great man and I thank him for serving in the military. My heart goes out to you and your family as you still deal with the death of your son and keeping his memory alive. I have so much respect for your family and thank you for having the time to come talk about your son to the kids that came to D.C. I look forward to meeting you.

Love,

Heather Audio
