

Dear Eric,

First off I would just like to thank you for your service and tremendous sacrifice for our incredible country. Without you and people like you we wouldn't be living the way we are now, we wouldn't have the beautiful country we have. If this country didn't have men and women like you many people wouldn't be living the way we are now. So finally and once again I would like to thank you for your service to this country. You and people like you inspire people everyday with the courage and integrity you show, thank you.

Sincerely,

Hunter Burkett
