

Dear Herzberg family,

I am so very sorry for your loss. I know how it feels to lose someone close to you because of the war. My grandpa fought in the war and when he came back he was never the same. He ended up getting lung cancer from so much smoke inhalation and cigars in the war. My cousin, Jack, is also being drafted in a few months. I really appreciate everything your son did for our country. From reading about him I can tell he was kind, strong, brave and a great person. From reading the comments on his page I can tell he was an honored soldier and well liked man. I wish I could have known him, he seemed awesome. He had integrity, it says on his website. That is one quality I admire more than anything. Your son quickly became one of my role models and someone I admire a lot. Thank you for everything you do for our school, and educating the world about your son.

Sincerely,

Jessica Lawton
