

Dear Herzberg family,

As I was listening to your story and watching the movie Taking Chance I realize the pain you guys have went through and I am truly sorry for your loss. I myself have family members in the service and understand some of your grief. I am, and many others are grateful that your son stepped up to fight for our freedom. I didn't know Eric but I could only imagine how much of an amazing person he was and how much of an inspiration he is to me and all the students here at Mona Shores Middle School. We as a society take our freedom for granted and forget about the men and women who fight for it but I will never forget Eric Herzberg. Once again I thank him for his service. And I will keep your family and Eric in my thoughts. ♥
