Dear Herzberg Family,

I am extremely sorry for your loss. I know you have heard this many times, but I know it never stops hurting. I would like to thank you for the experience of watching "Taking Chance" and learning more about those who serve, and the respect they are treated with when they are brought home. My brother is intrusted in entering the service in 2 or 3 years. You are very strong to handle your son's death and I am already fearing of my brothers safety if he does join to serve. Your son has helped our country in ways that I never could. There is no way to thank him (and your family) enough for how much you have given to our country and to keep us safe. You and your son have given up so much for us to remain free. I will never forget your son, and your story. Always know that you and your family will be in my thoughts and prayers. Thank you for sharing your journey with us.

Your Truly,

Lily Fenkany
