

Dear Herzberg family,

My name is Michele Lewandowski, sadly I won't be there with you in Arlington. We watched taking a change in class and it was very emotional. Your son was a hero and I am very thankful for him and his service.

Even though I have never met him, I will remember him for the rest of my life. After reading about him I miss

not getting to know him better. Your son did not die a 20 year old boy he died a hero and a legacy at Mona Shores. I am

very sorry for your loss but just know I will

always have your family in my thoughts and so will thousands of kids at Mona Shores.

Love,
Michele
