

Dear Herzberg family,

I may have never met your son, but I can tell that he was amazing. Just by reading about him, I can tell that he was a great friend, son, and role model. I am grateful that he was one of the many like him, to serve our country. He represents what most kids aim to be. Mona Shores Middle School is appreciative of his service, but more importantly, the whole country is. He will hold a place in our hearts. Thank you for raising such a great child.

Love,

Donovan
