Dear Herzberg Family,

I'm sure you've heard "I'm sorry" hundreds of times in the last 12 years, but I'm here to say thank you. Thank you for the years of service that you all and Eric have put in to better our country. Eric helped keep our country and our freedom out of harm's way. He's ensured a bright future for the next generation. He truly embodied a proud American, willing to risk his life for the benefit of others. While I may never be able to meet him, his legacy is still relevant to me, my school, and this country. His service will never be forgotten. His act of service has inspired me to do things for the impact of others, to realize life is a precious, that can be taken away at any second. He did everything in his power to protect others, and that is very admirable. Again, I would just love to thank and recognize the sacrifices you all and Eric have made for the country. I am eternally grateful.

Sincerely,
