

Dear Herzberg Family,

I am very grateful for your son's service to our country. After hearing about his story, I believe that he was truly a brave and kind-hearted man. I now understand how much courage and bravery it would take to serve our country like he did. I could never have done what he did, and I wish that I could have told him thank you. I am very sorry for your loss.

Sincerely,  
Grace Opsommer
