Dear Herzberg Family,

I would like to start off by saying that hearing about Eric's story really inspired me and gave me compassion towards families like your own. I know it must be very difficult for you to deal with his passing. Especially when he was so young. I hope you guys know that he died for a good cause, for the freedom of millions. We are forever grateful towards him and we appreciate what he did. I have two younger brothers of my own. I couldn't even begin to imagine losing one of them. That's why I was so moved by Eric's story. He was an amazing person. I hope you guys rest easily knowing he left behind a legacy greater than no other and that he is talked about in the greatest of ways.

Wishing you the best,
