Dear Herzberg Family,

Your son Eric was a true hero to all. He fought for all of our safety and freedom. I wish I could have met him because he sounds so kind.

I feel like military member families are unsung heroes though. They all give up so much for their loved ones. You have to remember these families for what they do. I know I have not met you before, but from deep in my heart I want you to know I appreciate you all.

You guys are very brave. I don't know what it is like to be in your shoes. I know it must be hard at sometimes or a lot. I don't know. But you have to remember Eric died what he loved doing and everything happens for a reason. Don't stop being brave.

From the bottom of my heart,  
Carly Califf
