Dear Herzberg family,

My name is Neil Welsh. We just watched "Taking Chance" at MSMS and I am so sorry for what you had to deal with. I am sure that they took great care of him.

Since he is not here today with us I want to tell you you raised a great kid. I wish I could tell him thank you right now but I can't. When we go to D.C. I will be sure to tell him thank you for your service.

Without people like him we would not have a free country. As Mr. Shuchardt always says "Freedom is not free, it comes with a horrible expense." Once again I am very sorry for your loss.

Sincerely,

Neil Welsh
