

Dear Herzberg family

I am beyond grateful for the selflessness shown by your son. It amazes me how someone can risk/give their own life for someone they don't even know. Although your family including him will never know me he still gave his life, and I am forever grateful for the chance to wake up every morning. I admire his bravery, his selflessness, and his kindness. He will be remembered always as a hero for the sacrifices he made for all of us. He has opened so many eyes to crazy possibilities, and to reach their calling no matter the cost

Sincerely -
