

Dear Herzberg Family,

5-26-2023

I would like to start off by thanking Eric for his service and you as a family for supporting his journey. After learning about Eric, I have come to understand his determined and respectful mindset. He was willing to undergo any challenge in his way to achieve great things. As a person, I hope to grow in ways of integrity and determination. Because of the sacrifices Eric made for us, I am able to believe what I want and able to have freedom. I have an education and I am free of worry. Reading the life story of Eric has allowed me to make personal connections with him and also visualize his life and the things he experienced in his lifetime. I am lucky to say that I have yet to experience loss but this story gives me strong emotions. I can not imagine the things you are feeling. I wish every single person in your family the best of luck and I am truly sorry for your loss.

- Sincerely,
Shane Thompson
